

Year 6 Remote Learning Daily Plan - Day 36 - Thursday 4 th March - WORLD BOOK DAY	
English	<ul style="list-style-type: none"> • Today is World Book Day, which means you should be thinking about READING! • Task 1 - Watch today's Masked Readers and comment. Tomorrow is the final 2 and I'll get you to list your thoughts on all 10 for the week! • Task 2 - Y6 Day 36 English Resource pdf on the home learning page and on Seesaw. This is an image of a kingfisher. You are to colour the image, and on the sheet also add in some information about your favourite book - the title (with capitals!), the author (with capitals!!) and a brief synopsis (summary or blurb). It is for a reading display in school - Y6 needs to look better than the others!! • Task 2 - Design your own bookmark that shows your reading preferences. Cut a strip of paper of appropriate size, and on both side use words, colours and illustrations to demonstrate your enjoyment of reading (images from favourite books, vocabulary, characters, titles of favourite books etc). • Bring this bookmark to school on Monday, inside your current reading book! We'll laminate it in school for you.
Maths	<p><i>Today you need Y6 Day 36 Maths Resource 1 (Mental Starter) and Y6 Day 36 Maths Resource 2 (Main Activity). They're both on the Remote Learning page of the website (for printing) and uploaded to Seesaw. You could try filling in the mental starter on Seesaw.</i></p> <p><u>Mental Starter</u></p> <ul style="list-style-type: none"> • Watch today's Maths Video on Seesaw - page 1. I will explain today's Mental Starter game. Then you will need Y6 Day 36 Maths Resource 1 - 3 Litre Fill Game. This is a 2-player game, but you could also have a go on your own. No dice at home? Use this - • https://www.online-stopwatch.com/chance-games/roll-a-dice/ <p><u>Main Lesson - Miles and kilometres</u></p> <ul style="list-style-type: none"> • Watch today's Maths Video on Seesaw - page 2 for an explanation of today's work. • Then complete the independent tasks on Y6 Day 36 Maths Resource 2. <p><u>Greater Depth Challenge (Optional - go on, have a go!)</u></p> <p>Can you locate places certain distances from school? Use the questions on page 2 of today's Maths Resource + the provided ordance survey map Oakdene Area Map to work out some answers.</p>
Computing	<ul style="list-style-type: none"> • First, access the spreadsheet you created last week on Excel about Stocks and Shares. • Watch today's Computing videos on Seesaw, where I will go over today's tasks step-by-step. There are also instructions on Y6 Day 36 Computing Resource. • You will be adding additional information and formulae to your spreadsheet to show the changes (profit and loss) in the shares you bought last week. • Don't forget to take a screenshot to upload as evidence to Seesaw.
Reading Plus	<ul style="list-style-type: none"> • Finish off your 6 Reading Plus activities for this week today. And as it's World Book Day, make sure you are reading a reading book too!
Class Assembly	<p>Use your Office 365 log-in and join us on Teams for our Year 6 class assembly at 9:00 this morning. It will be lovely to see you all!</p>
