RE

Sikh people believe in the values of equality and justice. This means that everyone should be treated the same and fairly.

Do you agree with these values? Circle your answer below and explain why.

Yes No

Diamond Nine Life Values

What do you think are the most important life values?

Read the nine values below and think about how important each one is to you. Then, cut them out and experiment putting them in order of importance on the 'Diamond Nine' template. Put the most important in the top space and the least important in the bottom space. Order the other values so that the ones more important to you are closer to the top.

having a belief in a god or gods	being successful at school	being good at sport
having creativity, such as music and art	earning lots of money	being a leader
appreciating differences in people	achieving a good work/ life balance	having lots of friends
