Maths

LC - Can I solve questions mentally?

Today I would like you to complete the mental maths paper - you have 16 questions to complete. Please see how much you can complete in no more than 15 minutes. Remember mental maths means you're completing the questions in your head.

English

LC - Can I complete retrieval questions on a text I have read?

Activity -

Read the text or you can watch the video on SeeSaw of me reading the text to you, whichever you prefer. Then work through the questions based on the text.

Remember it is not a memory test you can go back and look at the text as much as you would like to. **Choose your level of challenge - 1 star is Level 1, 2 Stars - Level 2, 3 stars - Level 3 (Hardest)**

Music -
